Split Drawer Warmers

Models: HDW-1R2, -1.5R2, -2R2

Expand holding capacities with Hatco's Split Drawer Warmer. Ideal for holding products that are lower in height profile such as bacon, sausage, hot dogs, rolls, pot pies and delicate products that should not be stacked. Each drawer features adjustable sliding vents and individual thermostatic controls to hold a wide variety of hot foods safely for peak serving periods.

Standard features

- Each drawer has a recessed individual thermostatic control, and temperature monitor – optional touchscreen display control (TTC) available
- Adjustable sliding vents on each drawer (No vents available as an option)
- Standard 20.75" x 12.75" x 2.5" (527 x 324 x 64 mm) pan supplied with each drawer
- Each drawer will accommodate one ½ sheet pan
- Units come with 6' (1829 mm) cord, plug, and 4" (102 mm) legs

Options (available at time of purchase only)

- ☐ Touchscreen display control (TTC)
- ☐ No drawer vents

Accessories

- ☐ Stainless Steel Food Pans

For operation, location and safety information,
please refer to the Installation & Operating Manual.
