Silicone Baking Mats

Ideal for all types of baking and cooking, double sided, naturally non-stick and reusable. Use in place of parchment paper or oil/grease, saving you time and cost without compromising results. Provides consistent and even heat distribution for optimal results. Food grade silicone over fiberglass reinforcement. Temperature Range: -30°C to 230°C / -22°F to 446°F. Use in place of parchment paper or oil/grease, saving you time and cost without compromising results. Microwave, freezer & oven safe.
